Section 4 Supporting Documents

If you are not in receipt of state benefits, you must send documentary evidence to fully illustrate your household's financial situation and thereby demonstrate that you do not have the financial means to cover the full cost of an Arvon course.

Evidence should include bank statements - or some other form of verifiable documentation - from the past 3 months which clearly illustrate your household outgoings and any savings. We try to be as flexible as possible when considering grant awards, and the more evidence/explanation we have, the more likely we are to be able to help.

Please post photocopies of documents, or email scanned versions, as we cannot return originals. Applicants are encouraged to blank out sensitive information such as account numbers and sort codes, so long as it is clear the documentation refers to them personally.

*If you **are** in receipt of state benefits, please give details including copies of benefit letters with your completed application.*

This can include:

- Proof of means-tested state benefits (such as housing benefit, council tax benefit, Universal Credit, Income Support, pension credit, Job Seeker's Allowance, or other similar benefits)
- Proof of Disability Living Allowance or Personal Independence Payment
